

# Because understanding your cash flow matters.

**YOU** started your private practice because **you love helping people feel better and enjoy life.** Accounted4 helps private practice owners understand their practice's finances and feel better about theirs.

## Private Practice Package

Accounted4's Private Practice Package offers financial guidance, coaching, cash flow clarification, and real-time bookkeeping, all on a flexible subscription model.

**Your financial data tells a story.** What do your financials say about your practice?

**Understanding your numbers** is a must if you want to reach your personal and professional potential.

Your practice's financial success is a journey, but you don't know accounting. **What you need is a low-cost guide.**

# What does the Private Practice Package include?

✓	<b>Insurance Collections Forecasting &amp; Trends</b>
✓	<b>Accurate Revenue &amp; Expense Projections</b>
✓	<b>Virtual Coaching Sessions:</b> Understand your practice's financial health Proactively plan with confidence Identify other saving opportunities
✓	<b>Clearly Understand Your Profit/EBIDTA/Cashflow</b> Custom scorecard that allocates overhead based on location performance Know exactly how many visits do you need to reach your goals Improve owner compensation strategies
